Welcome to our first ever Rossett PE newsletter which will showcase everything that is amazing about Rossett PE. I would like to thank the Sports Council and Miss Goacher for putting this newsletter together and I hope you find it informative, inspiring and an insight into the world of Rossett School PE.

As you can see from the title above we were named in the top 100 schools for sport for the UK which is something we are incredibly proud of. It is a true recognition of all the hard work by the students and the staff at Rossett.

My Experience

By Gracie Ridley (Yr12 Student)

My time at Rossett started from Year 7 Playing sport through the years all the way to Year 11. Starting from the bottom as the youngest in the school, I joined all the teams and learnt every rule.

The games I played and places I went Made my time at Rossett a time well spent. Football, netball, hockey too Are a few of the sports I chose to do.

I became a sports leader from the leadership scheme; Part of the sports council and a captain for teams. PE lessons were a time to unwind Enhancing teamwork and performance while relaxing the mind.

During exams we were all stressed But the sport was the cure; the teachers were the best!

Now in year 12, I help out in PE Walking around the lessons and the students I see Are trying new sports and improving their skills Enjoying their time and learning new drills.

This just proves the importance of sport! None of this could happen without the teachers' support They're an inspiration to students and have helped for times ahead, As I'd love to teach PE or be a footballer instead.

Park Run

The park run takes place every year around Rossett School and neighbouring streets over a distance of 2.5km. This year we have been lucky enough to not get wet!

This event gives the PE department a chance to select the cross-country team for the upcoming Harrogate and Craven Cross-Country Trials.

Strong start for U18 girls football

Written by Katie Ridley (Year 13)

On Tuesday 16 October, the U18 girls football team played in the first round of the national cup against St Aidan's. This was our first game of the year- which we smashed, winning 4-1. To start of the game, within the first few minutes a goal was scored, giving us an early lead. To which Aidan's responded towards the end of the first half with a lucky equaliser. Half time came and our spirits were high- drawing 1-1 we were determined to win and pull it back. The second half started and straight away we put up a fight- our defence remained strong throughout and Vicky pulled out some great saves in goal. Aidan's were pressing hard- but that didn't stop us. Evelyn snuck one past the keeper- and suddenly we were leading again. With some amazing encouragement from Miss Rowe from the side-line, time went on and two more went in from Evelyn- getting her a hat trick, and giving us confidence. The final whistle blew, and that was it- a 4-1 win and onto the next round. Nice one girls!

★ PE SUPER STAR ★

Our Rossett PE Super Star for this half term is Alex Clayman in Year 7 who has recently been selected to play for West Yorkshire.

Alex has been part of the Year 7 school hockey team and plays up a year group in the Year 8 team. She is a member of Leeds Adel Hockey Club playing on a Sunday against other teams in the West Yorkshire League.

Well done Alex!

Football

The Year 10 boys are through to the next round of the English school's cup with a 4-0 win against Abbey Grange. The boys travelled to Leeds to battle against windy elements but they did not disappoint. Some great defending in the back line from Alfie Hewson kept AGA at bay. The boys worked well with quick touches and movement throughout the midfield which resulted in the first goal by Harry Leonard. A further two goals by Leonard, one of which sky-rocketed past the keeper and a well-composed and worked goal from Harry Bhogal saw the team comfortably through to the next round.

The Year 9 boys' A team beat Roundhay in the National Cup 5-0 and Risedale 7-1 in the County Cup. They now go on to the next round!
